

I'm Pro-Life And My Family Votes!

Pro-Life 2008 Family Voter Pledge

A Project of the Republican National Coalition for Life

As registered voters, I/we promise to support Republican candidates at every level of public and Party office who have promised to work to achieve through public policies and laws, the pro-life principles in the Republican Party Platform stated below:

The unborn child has a fundamental individual right to life which cannot be infringed
• *Support for a Human Life Amendment to the U.S. Constitution* • *Extension of Fourteenth Amendment protection to unborn children* • *Denial of taxpayer funding of abortions and organizations which advocate it* • *Opposition to euthanasia and assisted suicide* • *Opposition to the non-consensual withholding of health care or treatment because of handicap, age, or infirmity* • *Appointment of judges who respect the sanctity of innocent human life.*

We urge the Delegates from our state to the 2008 Republican National Convention to vote for the above-stated principles in the Republican National Platform. We also expect all Republican candidates to recognize the inherent rights of the human embryo as a human being, and to support legislation banning experiments in embryonic stem cell research and human cloning.
