

Repeal ObamaCare Legislation

It is obvious that ObamaCare legislation will lead to fewer health care professionals, increased medical costs, and rationed health care for Americans, particularly the elderly and disabled. Additionally, the legislation is patently unconstitutional in its forcing individuals to purchase an insurance product.

Therefore, we, as Delegates to the *(insert type of convention such as pct., district, state, etc.)*
_____ Convention of the Republican Party of
_____, *(insert name of state)*, urge Congress to pass
legislation completely and finally repealing ObamaCare.
