In my capacity as a Delegate or Alternate to the 2008 Republican National Convention, I pledge to vote for the re-adoption of the pro-life plank in the Republican National Platform which reads:

The unborn child has a fundamental individual right to life which cannot be infringed. We support a human life amendment to the Constitution and we endorse legislation to make clear that the Fourteenth Amendment's protections apply to unborn children. Our purpose is to have legislative and judicial protection of that right against those who perform abortions. We oppose using public revenues for abortion and will not fund organizations which advocate it. We support the appointment of judges who respect traditional family values and the sanctity of innocent human life.
